### JOE ROBSON'S MUSIC - SUPPORT

The desire of Joe's heart is music / song writing. He has suspended his university studies for a year in order to concentrate fully on completing and recording his first album. He is the youngest! of the guitar instrumentalists in our Sunday band. To support him in getting cover on social media Steeple people can share his YouTube site as widely as possible - especially in our families and amongst friends. Probably the greatest appeal will be to younger people! The website channel to pass on is : YouTube Silent Protagonist Black Bull. <https://www.youtube.com/watch?v=3JH2XmZjaUA> Wildest possible cover and the feedback it brings will be a key factor as he heads towards releasing his first album.
