Many of you will remember that we have contributed in different ways to the Refugee Festival Scotland in previous years. Please see the separate flyer for information about The Steeple's contribution this year. Please contact John Clark if you would like more information. Out and About dates for your diary

The walk today is to Lundie Crags. It starts at the parking lot of the Hallyburton Community Woodland on the A923 to Cupar Angus. Davidson's pharmacy in Muirhead used to be called the 5 mile pharmacy because, wait for it, it is 5 miles out of Dundee. The Hallyburton Parking lot is another 5 miles beyond that on the left at the top of the hill going down to Cupar Angus. The plan is to meet at the parking lot at 2pm. The walk is about 4 miles long, takes about 90 mins of walking round trip (add on a half hour for the breathtaking view!) and gently rises about 300 feet on a dirt track of gradually increasing gradient. Afterwards, tea, juice and cake/ fruit/ cookies will be enjoyed for all who would like to join us. Looking forward to being overwhelmed with interested ramblers. Clive and Alice.

Next Sunday's Out and About (26 May) is to Murton Farm, DD8 2RZ.

There are three options for the afternoon,
1 - The farm park itself, there is an entrance cost of £3.50 per adult £2.50 child/concession. And I would recommend if you are going into the park to just go in as soon as you get there to maximise your time in the park. (Currently there is a group on £7 for a family ticket)
2 - A walk round the nature reserve, for this we could meet outside the tea room at 2pm
3 - I have then booked space in the tearoom at 3.20 for anyone who would like to enjoy a refreshment together. Please let me know if you require transport or can provide transport and I can try and pair people up. Praying for sunshine, Hannah
